

# Invest in Your Community

We invite you to support our fundraising efforts to construct a Ball wall facility, complete with AstroTurf pitch, along with our new fully lit Walking circuit. These amenities are designed to benefit our entire community and to provide facilities that ALL generations from EVERY family in the parish can enjoy.

- **Ball Wall with All Weather Astro Turf Pitch**
- **Fully Lit Walking Circuit** - suitable for all age groups for walking, running and keeping fit.
- **Promoting Healthy Lifestyles**
- **Building Our Community**

**Kinnitty GAA & Camogie Clubs**

# Sponsor a Calf Fundraiser

## How it works:

- Sponsor a calf for €250
- Local Kinnitty farmers rear the calf over 2 years
- In 2 years' time, the calf will be worth €1500 (Approx)
- That €1500 goes to finance the ball wall and AstroTurf facility

It pays to be innovative and to stick to our rural, farming roots. As a result, our committees have been working with local farmers to find homes for 80+ calves which they will rear on your behalf, before we sell them for beef in two years time. We are now asking EVERY household in the community to get behind this project & help us build a happier, healthier future for all.

**If you would like to sponsor or have any questions, please contact:**
